

PERFORMANCE GUARANTEE

At Apollo Tires, we're confident in the performance of our tires. Our Performance Guarantee ensures your fleet achieves a better cost per mile/km compared to competitor tires, or we'll make it right with a credit based on the difference.

KEY FEATURES

- **Up to 40 Tires per Fleet**
- **Cost Per Mile Evaluation:** Performance based on cost per mile difference vs. competitor tire
- **Credit Reimbursement:** If Apollo tires fall short, receive a credit based on the cost per mile/km difference
- **Pre-Approval Required:** All claims must be approved by an Apollo Regional Sales Manager
- **Tire Performance Tracking:** Our team will monitor tire performance throughout the program

HOW TO QUALIFY

Submit the following to begin:

- **Fleet Details:** Fleet name, number of trucks, and contact info
- **Mileage:** Apollo and competitor tire mount mileage
- **Wheel Position:** Specify wheel positions for both Apollo and competitor
- **Vehicle Numbers:** Provide vehicle numbers for both Apollo and competitor
- **Tread Depth Pull Points:** Define prior to evaluation
