## BENEFITS FOR YOUR FLEET

### **Nationwide Access**

Whether your fleet operates across a region or across America, Apollo has you covered. With multiple participating Dealers groups, your fleet gets the pricing and service it deserves.

### **Competitive Consistent Pricing**

With Apollo's National Account Fleet Program your fleet gets the same price from a dealer next door or five states away. Established pricing ensures your return on investment is in line with your KPI's wherever your fleet operates.

### **Cashless Transaction**

With an Apollo National Account, your drivers don't need to worry about payment at the point of purchase. The program provides the convenience of placing all approved product purchases on your account.

### **Consolidated Billing**

Purchases made through authorized Apollo dealers will be consolidated improving your operational efficiency in the back office.

### **OEM Specification Credit**

To help improve your ROI and keep your fleet aligned, Apollo offers an OEM Spec Credit for trucks ordered with Apollo tires.

### **The Apollo Tires Way**

High quality tires that help you increase your bottom line. With sales, technical, warehousing and operations all based in America. Apollo Tires are backed by a limited road hazard warranty, 6 year, 2x retread warranty and rubber allowance to help get you the best ROI possible. We're here for the long haul, building a relationship based on trust and commitment.
